## Working Safely in Your Biological Safety Cabinet

Do you need some pointers, refreshing, or have employees that need training on safety, cleaning, and gen-

NuAire has developed an interactive CD guide for your BSC. It is entitled "Working Safely in Your NuAire Biological Safety Cabinet". This educational tool is designed to assist in understanding the different functions of the BSC. From preparation and operational procedures, to hygiene, maintenance, and safety. All you need to know about utilizing the BSC is at the tip of your finger.

Copies may be obtained by contacting NuAire's Technical Service Department by:

**E-mail** at [nuaire@nuaire.com](mailto:nuaire@nuaire.com)

**Fax** at 763-553-0459

**Telephone** at 800-328-3352

## What's New in the 2005 Standards for Antimicrobial Susceptibility Testing?

Join Janet Hindler on January 25, 2005 for this free teleconference. If you are interested in listening, please follow the instructions on the enclosed brochure.

## Christmas Trivia

In the song "Grandma Got Run over by a Reindeer" what did Grandma go to get?

Name two reindeer whose name begins with a "C".

What were Frosty's last words?

In It's a Wonderful Life, what part of George's house is always broken?

## Cold Weather Tips!

Wear a hat. Most of your body heat is lost through your head.

Wear mittens. They will keep your hands warmer than gloves.

Make a winter emergency kit for your car.

**STAY HOME IF YOU ARE SICK!**

Happy Holiday's from Our Lab to Yours!
